### Minister of Industry and Commerce a keynote speaker in Bahrain-India Society Luncheon

Posted On: 21/06/2023

H.E. Minister of Industry and Commerce Abdullah bin Adal Fakher affirmed the deep relations that tie Bahrain and India, recalling their historical extension, especially at the commercial level.

This came during a luncheon organized by Bahrain-India Society where the Minister of Industry and Commerce participated as a keynote speaker, in the presence of Indian Ambassador Mr. Piyush Shrivastav, Chairman of the Board of Directors of the Bahrain India Society Mr. Abdulrahman Juma, and a number of Society members.

During the event, the Minister reviewed a number of topics and issues of common interest, including the initial positive results of the official visit of the Bahraini economic delegation headed by His Excellency to India during March 2023, which included several meetings with senior officials and prominent leaders in the Indian business and private sector, as well as various events that stressed the importance of the great role played by the private sector in diversifying and developing the economy. H.E. Fakher also highlighted the attractive investment environment in the Kingdom of Bahrain and the privileges and facilities provided by the government to investors inside and outside of Bahrain.
